DURATION

This promotion runs from 1/3/2024 to 31/3/2024 included. MeDirect reserves the right to modify the details of this promotion at any time. Any changes to these Terms & Conditions will always be announced via the website of MeDirect (www.medirect.be).

BONUS AND PAYMENT DETAILS

If the customer is a Qualifying Customer, he/she will benefit from the following:

A 1% bonus (limited to a maximum amount of 2.500 euro) calculated on the initial invested amount through MeManaged. This bonus will be deposited into the Qualifying Customer's MeDirect current account on 15/4/2024 at the latest under the condition that the client has not withdrawn the amount invested by that date. He/she will only receive this bonus if all the criteria mentioned in the "Qualifying Customer" section are met. Complaints regarding bonus payouts will be taken into account until 30/6/2024.

Qualifying customers can receive the **1%** bonus only once. This bonus is only calculated on the initial amount invested through MeManaged, not on the extra amounts added to MeManaged during the promotional period. **If** the customer terminates his MeManaged Agreement and signs a new MeManaged Agreement during the promotional period, he/she will not be eligible for an additional bonus.

Example

The customer signs a MeManaged Agreement and makes an initial investment of €5,000 during the promotional period. Therefore, he/she receives a bonus of €50 on his/her MeDirect current account.

CONDITIONS FOR PARTICIPATING

MeDirect reserves the right to not grant the payment **in** the event of fraudulent participation, violation of the Terms and Conditions, or current regulations.
